UNION TOWNSHIP PROFESSIONAL SERVICE SELECTION PROCEDURES:

Union Township intends to select firms for design/build services for each of the projects listed above and further described herein based on the information contained within the submitted Qualification Statements.

The requirements for the RFQ and the Union Township Selection Evaluation Rating Form that will be used to select consultants are shown below. Consultants must submit Qualification Statements that specifically address at least one of the projects listed herein. The consultant must visit the site of each project in which they express interest, and clearly specify the project(s) that they are interested in. The Union Township Standard Procedures for Procurement of Professional Services Pursuant to Sections 153.65-153.71 of the Ohio Revised Code, adopted May 13, 2008 by the Union Township Board of Trustees, has been included as EXHIBIT "A" supplementing this Request for Qualifications.

REQUIREMENTS FOR STATEMENT OF QUALIFICATIONS:

A. General Instructions for Preparing and Submitting Statements of Qualifications

- (1) Provide the information requested in the RFP/RFQ Content (Item B below), in the same order listed, in a letter signed by an officer of the firm. Do not send additional forms, resumes, brochures, or other material unless otherwise noted in the Project Description.
- (2) RFP/RQP shall be limited to ten (10) 8 ½" x 11" single sided pages plus two (2) pages per project for the combined Key Staff and Project Approach, unless otherwise noted in the Project Description. All pages including the transmittal letter count against the limit.
- (3) Please adhere to the following requirements in preparing and binding Qualification Statements:
 - a. Use a minimum font size of 12-point and maintain margins of 1" on all four sides. All text shall be black type to facilitate machine copying.
 - b. Page numbers must be centered at the bottom of each page.
 - c. Use 8 ½" x 11" bond paper only. **No glossy paper.**
 - d. Bind Qualification Statements by stapling at the upper left hand corner only. Do not utilize any other binding system.
 - e. Do not provide tabbed inserts or other features that may interfere with machine copying.
- (4) Statement of Qualifications must be received by 4:00 p.m. on the due date. Statements of Qualifications received after 4:00 p.m. will not be considered.

B. Content of Statement of Qualifications

The Statement of Qualifications submitted by firms interested in providing professional services for the projects specified herein shall contain, at a minimum, the following information:

- (1) A list of the Projects for which the firm is submitting this Statement of Qualifications.
- (2) A brief history of the firm which shall include information pertaining to major areas of expertise and list the types of services for which your firm is currently prequalified by the Ohio Department of Transportation.
- (3) A list of representative projects and clients including project costs for contracted projects.
- (4) Information relative to insurance coverage of firm which shall include limits and deductions.

- (5) Information relative to specialized surveying/engineering equipment, computer hardware and computer software including ArcGIS capabilities. Union Township will use ESRI© ArcGIS 10.31 (or equivalent) platform for the maintenance of all mapping files projected in State Plane, Ohio South, NAD83, NAVD88 with map units of U.S. Survey Feet. Mapping files should be capable of being directly loaded or imported into ArcGIS with no translation, transformation and/or manipulation required by Union Township.
- (6) For each project in which the consultant is expressing interest, provide a description of your Project Approach, not to exceed two pages unless otherwise indicated in the Project Description. Confirm that the firm has visited the site and address your firm's technical approach, understanding of the project, cost containment practices, innovative ideas and any other relevant information concerning your firm's qualifications for the project.
- a. List the Project Manager and other key staff members, including key subconsultant staff, if any. Include project engineers for important disciplines and staff members that will be responsible for the work and resumes for key personnel.
 - b. List significant subconsultants, if any, their current prequalification categories and the percentage of work to be performed by each subconsultant.
